We look forward to working with you to support your child at our school.

Don't take our word for it...

Luciannah - "I think St. James' Junior School is really nice and I love learning. I like playing with my friends and I love music lessons so much. School dinners are tasty, especially the spaghetti bolognese! I think the school is fantastic. I love school so much!"

Aadam - "I really like the chicken burgers, the chicken nuggets and the battered fish. The teachers are really kind. We get our own chromebooks. I really like Design & Technology and PE. The after-school clubs are really fun."

Aabis - "I love this school, there is nothing bad about it! I like the books in the library. The best lessons are PE and maths. I have made lots of new friends here. I think the school is very safe and that is important."

Pelan - "I love the teachers because they are so kind and really respectful. Everyone is included, all religions and beliefs are respected. My favourite lesson is English - it is so much fun. I love writing stories"
