

ST. JAMES' (C OF E) JUNIOR SCHOOL

Every Child, Every Chance, Every Day.

WEEKLY NEWSLETTER

FRIDAY 15TH NOVEMBER 2024

REMEMBRANCE DAY...

At 11am on Monday, the whole school fell silent for one minute to mark Remembrance Day. The children were extremely respectful.

TRIPS THIS WEEK...

On Tuesday, Mrs Herbert, Damirs (Y6) and Rand (Y4) visited Derby Council House to take part in the Derby Promise, focussing on Climate Change. They have got some tasks to carry out at school and will be presenting to the Eco Committee. On Wednesday and Thursday, children in Year 4 visited Derby Museum to take part in the Romans Workshop as part of their theme work. Year 6 visited Pickford House for part of their work on the Industrial revolution. All children had a wonderful time and their behaviour was outstanding.

ANTI-BULLYING ASSEMBLY...

On Thursday, children in Year 5 & 6 took part in a special Anti-Bullying assembly led by Children First. A huge sculpture was delivered to school that enabled children to post their experiences of bullying and sign up to the 'STOP BULLYING' project.

AFTER SCHOOL SPORT CLUBS...

A huge thank you to all the parents/carers who signed their children up to the after-school sports clubs via Class Dojo. The response was overwhelming. All after school clubs are now full for this half-term. New clubs will start after Christmas.

TRIPS NEXT WEEK...

Next Tuesday a group of children will be taking part in a Boccia tournament. Letters have been sent home with the children involved. Next Tuesday and Wednesday our Year 5 children will be visiting Derby Museum to take part in their Vikings Workshop as part of their theme work. For more information about the trips, please speak with your child's class teacher.

This week's theme for the Golden Book is 'Someone who showed respect during Remembrance Day'

How to Set up PARENTAL CONTROLS

for PRIVACY iPhone

The privacy settings on your child's Apple device give you control over the information stored on it. This allows you to select which apps can access features and information on your child's device: for example, you might wish to block a social networking app from connecting to the camera reel, or specify which apps can use the device's location data.

How to make changes to privacy settings

You can block certain apps from obtaining information from your child's device. You can also prevent your child (or anyone other than you) from altering these settings.

1 Open 'Settings'

2 Tap 'Screen Time'

3 Tap 'Content & Privacy Restrictions'

4 Scroll to 'Privacy'

5 Choose the settings you wish to restrict

6 After you've made any changes, select 'Use Screen Time Passcode' to lock your changes with a PIN

How to prevent changes to other settings/features

You can also stop changes being made to the iPhone's other settings or features by anyone but you. For example, you can prevent your child from altering their passcode, accounts or mobile data settings.

1 Open 'Settings'

2 Tap 'Screen Time'

3 Tap 'Content & Privacy Restrictions'

4 Scroll to 'Allow Changes'

5 Select 'Allow' or 'Don't Allow' on the settings for which you wish to enable or disable changes
